SOUP PERSONALITY

MBTI

THE TURBULENT MEDIATOR — (INFP-T: INTROVERTED, INTUITIVE, FEELING, PROSPECTING + TURBULENT) TYPES ARE IDEALISTIC, EMPATHETIC "MEDIATOR" PERSONALITIES (APPROX. 4.4% OF THE POPULATION) DRIVEN BY DEEP PERSONAL VALUES AND A DESIRE TO IMPROVE THE WORLD. THEY ARE CREATIVE, FLEXIBLE, AND LOYAL, OFTEN WORKING IN ARTS OR COUNSELING.

KEY STRENGTHS — INFP TYPES GENUINELY FEEL OTHERS' EMOTIONS, MAKING THEM THOUGHTFUL AND KINDHEARTED. THEY'RE GENEROUS, PREFERRING TO UPLIFT OTHERS RATHER THAN SUCCEED AT ANYONE'S EXPENSE. OPEN-MINDED AND ACCEPTING, THEY AVOID JUDGMENT AND OFTEN BECOME TRUSTED CONFIDANTS. THEIR CREATIVE MINDS THRIVE ON UNCONVENTIONAL PERSPECTIVES, DRAWING MANY TOWARD WRITING AND ART. DRIVEN BY DEEP EMPATHY AND STRONG VALUES, THEY'RE QUIETLY PASSIONATE ABOUT CAUSES THEY BELIEVE IN. ABOVE ALL, THEY'RE IDEALISTS WHO STRIVE TO LIVE MEANINGFULLY AND LEAVE THE WORLD BETTER.

KEY WEAKNESSES — INCLUDE EXTREME SENSITIVITY, IDEALISM, IMPRACTICALITY, AND AVOIDING CONFLICT.

TURBULENT PERSONALITY TYPES ARE TYPICALLY NOT COMFORTABLE WITH THEIR CURRENT LIVES. THEY OFTEN USE THIS DISSATISFACTION TO TRY TO BECOME BETTER PEOPLE. HOWEVER, WHEN APPLIED TO MEDIATORS, THIS TURBULENT QUALITY SPINS THEM IN A DISTINCT DIRECTION. THEY ARE LIKELY TO USE A STRONGLY IDEALISTIC FILTER TO ASSESS WHERE AND HOW THEY NEED TO IMPROVE. THIS DRIVE TO CORRECT WHAT THEY DECIDE ARE FLAWS OFTEN PUSHES THEM TO WORK HARD. BUT IDEALISM IS A DEMANDING STANDARD. TURBULENT MEDIATORS ARE APT TO ASK TOO MUCH OF THEMSELVES AND BECOME OVERWHELMED. WHEN

THEY DON'T MEET THEIR UNYIELDING (PERHAPS AT TIMES UNREASONABLE) GOALS, THEY ARE LIKELY TO BE HARD ON THEMSELVES. SELF-CRITICISM RINGS TRUE FOR ANY TURBULENT INDIVIDUAL. BUT, FOR THESE PERSONALITIES, THEIR IMAGINATIONS AND SENSITIVITY MAY MAGNIFY THE DAMAGE CAUSED BY NEGATIVE SELF-TALK. EVEN THE SMALLEST FLAW MAY SEEM MORE SIGNIFICANT THAN IT IS. THEY ARE MORE LIKELY TO SEE A MISTAKE AS A REASON TO DOUBT THEMSELVES.

SOUP COUNSELING STYLE

- MINDFULNESS THERAPY
- NON-DIRECTIVE PLAY THERAPY
- CHILD PSYCHOANALYSIS/PSYCHODYNAMIC THERAPY
- INTERNAL FAMILY SYSTEMS

SOUP AREAS OF GROWTH

- CLARITY OF INSTRUCTIONS
- FORMAL SCAFFOLDING
- MEETING SOUPES WHERE THEY ARE

SOUPE CASE PRESENTATION

REASON FOR SELECTION

- SELF CARE RESISTANCE (E.G., MINDFULNESS PRACTICE DESIRED, BUT ABSENT; GIVING AWAY HER ANCHOR)
- COUNSELOR IDENTIFY FORMATION RESISTANCE (E.G., MIMICKING SUPERVISORS APPROACH)

- PERSPECTIVE LOSS (E.G., VALUES EXPLANATORY CONCEPTUAL EDUCATION OVER CONNECTION)

SOUPE PERSONALITY (INFERRED)

MBTI

THE TURBULENT DEFENDER — (ISFJ-T: INTROVERTED, SENSING, FEELING, JUDGING + TURBULENCE) IS A PERSONALITY THAT TENDS TO BE WARM AND UNASSUMING IN THEIR OWN STEADY WAY. TURBULENT DEFENDERS TEND TO BE SENSITIVELY PERCEPTIVE INDIVIDUALS WITH AN EYE FOR DETAILS. THEY'RE LIKELY TO SPOT WHEN DISTRESS ENGULFS SOMEONE OR WHEN SOMETHING IS AMISS ON A PRACTICAL LEVEL. THEY ARE MUCH QUICKER THAN MOST AND MUCH ABOUT THEIR CARING NATURE EMERGES FROM THIS. THEIR MIND-SET ENCOURAGES THEM TO HELP WHEN THEY SEE A NEED, AND TO DO SO IN A DOWN-TO-EARTH MANNER.

KEY STRENGTHS — ISFJS ARE NATURALLY SUPPORTIVE, HAPPILY SHARING THEIR KNOWLEDGE AND ATTENTION WHILE FAVORING TEAMWORK OVER COMPETITION. THEY'RE EXCEPTIONALLY RELIABLE, TAKING A STEADY, METICULOUS APPROACH THAT CONSISTENTLY EXCEEDS EXPECTATIONS. KEENLY OBSERVANT, THEY NOTICE SUBTLE DETAILS ABOUT OTHERS' LIVES AND EMOTIONS. WHEN COMMITTED TO A MEANINGFUL GOAL, THEY BRING GENUINE ENTHUSIASM AND TIRELESS DEDICATION, OFTEN GOING WELL BEYOND WHAT'S REQUIRED. PRACTICALLY MINDED AND ALTRUISTIC, THEY DON'T JUST HOPE TO HELP—THEY ROLL UP THEIR SLEEVES AND TAKE ACTION.

KEY WEAKNESSES — THIS AWARENESS CAN BE A POWERFUL TOOL THAT ALLOWS TURBULENT DEFENDERS TO SIZE UP POTENTIAL PROBLEMS. BUT IT CAN CONSUME THEM. COMPARED TO ASSERTIVE DEFENDERS, MORE OF THEM SPEND TIME WORRYING ABOUT THINGS THEY CAN'T CONTROL IN LIFE, WHICH CAN LEAD TO FRUSTRATION, DISAPPOINTMENT, AND EVEN SADNESS.

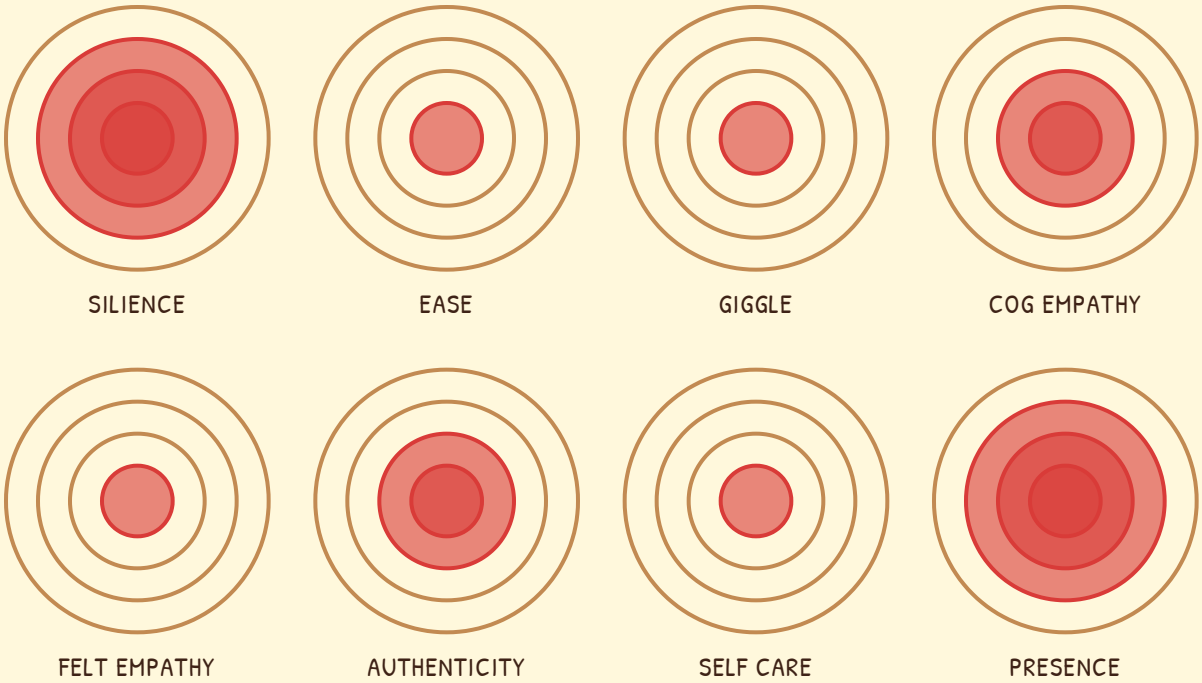
SOUPE COUNSELING STYLE

- PERSON-CENTERED WITH SOLUTION-FOCUSED FEATURES
- EXPLORING: ACCEPTANCE COMITTMENT THERAPY (ACT)

- EXPLORING: PSYCHODYNAMIC THERAPIES

SOUPE EVAL

COUNSELING BADGES



AREAS OF GROWTH

- SELF-CRITICISM
- ALLOW THE CLIENT TO DO THE WORK/CONTRIBUTE ON THEIR TERMS
- SLOW DOWN (E.G., MOVE FROM REACT TO RESPOND)
- NEED TO PROVE SELF
- REJECTION OF SELF CARE

IN SESSION

- LOSES BROADER PERSPECTIVE; POTENTIALLY RELATED TO EMOTION DISCONNECTION
- DEFAULTING TO EXPLANATION MODE/DEFENDER MODE

IN SOUP

- FORGOT TO COMPLETE ANCHORING HOMEWORK (E.G., DRAW YOUR ANCHOR)
- FORGOT TO ENGAGE PERSONAL MINDFULNESS PRACTICE
- ASSUMED SHE RETAINED SOUP SCAFFOLDING DIAGRAM
- ATTEMPTED TO GIVE SOUP HER VERSION 2 CALM/CENTERING ANCHOR (E.G., CAT)

SUPERVISOR NOTES FROM SUPERVISEE CLIENT VIDEO

- CT IS TESTING THROUGH RELATED EMOTIONAL PROCESSING. SHE SHARED A VERY SIMILAR SITUATION WHERE SHE GRIEVED THE DEATH OF A "FRIEND" IN MIDDLE/HIGH SCHOOL — THE EMOTIONS ARE THE SAME. SOUPE DOES A GOOD JOB OF COMING BACK TO G-PA, BUT THE EMOTIONS DISAPPEAR WHEN G-PA COMES INTO THE ROOM.
- CT HAS A HAIT OF INTELLECTUALIZING, PROJECTING, AND CONDEMNING HER EMOTIONAL SELF AS NOT RATIONAL.
- CT DOES NOT WANT TO EXTERNALIZE, BUT RECOGNIZES THAT IT'S NEEDED. CT MAY PERCEIVE SHARING AS UNSAFE, DESPITE FRAMING AS "LACK OF KNOWLEDGE" ABOUT HOW TO SHARE EMOTIONS.
- SOUPE RUSHES TO DEMONSTRATE THE EFFICACY OF ACT.
